

REPORT ON INFORMATION COLLECTED CONCERNING APPLICANT

Under section 60835 of title 2 of the California Code of Regulations, the Bureau of State Audits is responsible for collecting information concerning applicants for the Citizens Redistricting Commission that is needed by the Applicant Review Panel to perform its responsibilities. Pursuant to that regulation, Stephanie Ramirez-Ridgeway, Counsel for the Applicant Review Panel, requested information on behalf of the panel concerning an applicant being considered for selection to the Commission. This is a report by bureau staff in response to that request.

Name of Applicant: Christine T. Hernlund.

Date of request to collect information: June 16, 2010.

Statement of request: In the "Other Relevant Material" section of her supplemental application, Applicant mentioned having a daughter. However, Applicant did not disclose having a daughter in the Family Information section of the application. Moreover, Applicant reported that she does not have any family members. ARP counsel therefore asked the Bureau to find out whether Applicant has a daughter and/or other family members that she failed to provide information about in the Family Information section of the supplemental application, and if so, why she failed to provide the information..

Response to request: In response to questioning by Bureau staff, Applicant stated that she misunderstood the question about family members. She thought that she only needed to include family members who presented a potential conflict of interest. However, after reviewing the question again, she saw that she needed to include all family members. Applicant subsequently submitted an amendment to her application to provide information about her family members..

Recommendations: None.

Name and title of person submitting response: Steven Benito Russo, Chief of Investigations.

Report Date: June 29, 2010.
